The 78th Hong Kong Schools Speech Festival

3rd September 2026

Dear Parents and Guardians,

Your child can apply to participate in the English and Chinese speech competitions in the 78th Hong Kong Schools Speech Festival organized by the Hong Kong Schools Music and Speech Association (HKSMSA) through our school. Our school will facilitate this matter as far as possible. Please note the following arrangements:

- The events will be held in “Mixed Competition Mode”. Video submission will be open to English News Feature Presentation classes and some elementary solo classes to encourage beginners’ participation, while most classes will remain in Live Competition Mode. The competitors are required to upload the video to the organiser with the assistance of our school and need not go to the competition venue if it belongs to the video submission mode. Applicants are recommended to ask the subject teacher for more details.
- All F.1 students in Set 1 English classes are required to enrol for the English Choral Speaking Competition with the support of their English teachers. These students and other F.1-6 students can also join appropriate classes of competitions in the Speech Festival.
- To facilitate coaching, participants are encouraged to join certain selected events. To join other events, a competitor must have good reasons and seek the teacher’s advice in advance.
- The enrolment fee is **HKD 235** for each solo event. The enrolment fee for each duologue event is **HKD 390** (shared by the two participants).
- Students who complete the competition may be eligible for a subsidy of the enrolment fee from the Life Wide Learning Grant, if they meet the necessary criteria. The enrolment fee will be collected via ePayment in due course.
- Competition materials are available on the website of the HKSMSA: <http://www.hksmsa.org.hk/en/> (English) and <http://www.hksmsa.org.hk/tc/> (Chinese). Students may consult their language teachers for more details.
